Stellar believes in offering a “Worry Free” Workmanship Warranty that stands up to the test of time. We are committed to our client’s and pledge to honor and protect your home from chipping, peeling or cracking due to workmanship to all vertical or horizontal surfaces that are not impacted by weather or acts of God.

WORKMANSHIP

“The Degree of Skill With Which a Product or Service is Made or Delivered.”

STELLAR IS COMMITTED TO A WARRANTY THAT IS:

REALISTIC

Offering an intelligent and sensible warranty that can be realistically & consistently honored long term is critical to the integrity and sustainability of any company's existence.

SENSIBLE & BELIEVABLE

Stellar believes warranties should be based on "Workmanship" and NOT marketing. Our real focus is to collectively work together to do what we can to produce that Great End Result for you!

COMMITMENT TO QUALITY

Stellar is committed to establishing trust and viability with our clients. "Trust in Stellar" means something to us. We look forward to providing a great product to all of you that will require minimum future care.

Remember, Warranties are great but the goal is NOT to have to use them.

A PLEDGE to “Do the Right Thing”

STELLAR is committed to always “Doing the Right Thing” and should you need a service call, we will always be there to review and schedule resolution or repair.

Thank You all and see you soon for your Free Estimate!
