OUR WARRANTY COVERS

- All vertical surfaces.
- Horizontal surfaces including window sills and caps.
- Unexposed handrail caps and vertical pickets to the same handrail system.
- Stellar shall be responsible for removal of painting errors, i.e. overlaps and spots caused by Stellar. The paint manufacturer (not Stellar) shall provide customers with a manufacturer's warranty. No paint shall be thinned. Stellar shall use premium grade products as specified.
- If you miss something on the final inspection, Stellar will make a return trip to take any additional corrective action, at no charge. We do encourage you to work with your crew leaders during your final walk to collaborate on completing your final touch ups. There is nothing better than your immediate *happiness and gratification*. This is always important to us.
- ALL WARRANTIES ARE TRANSFERABLE FOR UP TO ONE YEAR.

Stellar's express warranty does not apply to these reasonable, fair, and sensible conditions: (a) fire, (b) acts of God, (c) vandalism, (d) failure due to structural or design defects or due to settling (internal or external cracks), (e) natural disasters, (f) caulk warranties are equal to the label instructions (1 year), (g) excessive buildup of snow or moisture to any painted surface, (h) surfaces exposed to foreign substances such as sap that effect or damage paint film, (i) exposed decks, handrails, fences, planter shelves, and trellis' due to the severe weather conditions that they are exposed to, (k) rust in general to all exterior metal surfaces, base plates, handrails, or weld points, (l) failure of paint due to improper drainage or leaks to gutters, flashing, or kick out plates, (m) fading due to Colorado UV (worst in the country and not covered by any paint manufacturer), (n) latent damage done to our work by other contractors.
